Introductory

The Glendale Directory Co., publishers of this Directory, present to the public this, their Twenty-third Annual Edition with the hope that it may really fulfill its mission.

It has one new feature this year. In the first section of the book (the householders guide) the Postal Zone Number appears after the name of street.

From the number of names in the Directory this year we estimate the population to be about 100,000, a large increase since 1940 when the Federal census was taken.

The last section of the book is a complete catalog of the city's business, professional and industrial life generally.

Names appearing in **Bold Face** type are those whose cooperation has made this work possible.

We tender them hearty thanks.

Yours very truly,

GLENDALE DIRECTORY CO.

Publication date January 15th, 1944.

P. O. BOX 494 — GLENDALE, CALIFORNIA

NOTE—In this department of the GLENDALE CITY DIRECTORY, the streets and avenues are alphabetically arranged, giving the locations from the main arteries of the city, and the house numbers are given in numerical order. **BRAND BOULEVARD** divides the city **EAST** and **WEST — BROADWAY STREET, NORTH** and **SOUTH. INTERSECTING STREETS ARE ONLY SHOWN ON MAIN AVENUES OF TRAVEL.**

The symbol ◎ following a householder's name, indicates that we have received information during the canvass that the house is owned by some member of the family.
